

ROAM
Beyond Boundaries

Ananta Ventures

www.roamonbikes.com

'Roam' is a promise, a promise of a quality product a great riding experience, fair trade practices, a healthy lifestyle and a happier planet, one bike at a time.

ROAM

Beyond Boundaries

Roam bikes is more than just a mode of transport; it's a lifestyle! Whether you're commuting, exploring trails, or enjoying leisurely rides, cycling promotes fitness, reduces stress, and connects you with nature. Plus, it's eco-friendly—good for you and the planet!

Beyond Boundaries

At Team ROAM, we believe bicycling is truly a sustainable and a healthy way of life for our planet. Hence we are creating top quality ROAM bikes for all ages bringing cutting edge technology and innovation to create a safe, comfortable and stylish riding experience for everyone. ROAM bikes are manufactured at a world class facility of over 70000 sq.ft. From conceptualizing, frame building, conveyerized paint shop and assembly line, everything is done in house. We are also suppliers to various renowned brands as OEMs

The leadership team at 'ROAM' has a combined experience of over 100 years regarding all aspects of the trade helping bring a range of quality products for its' customers, innovative futuristic solutions along with fair trade practices.

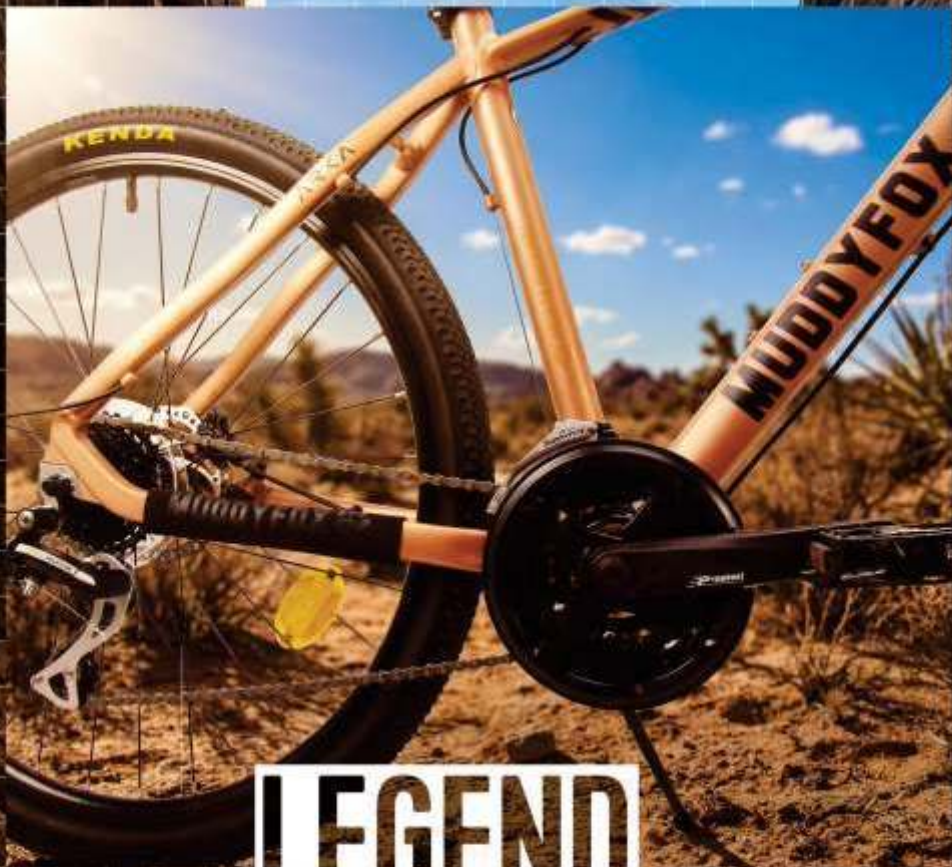

So whether you're commuting, exploring trails, or enjoying leisurely rides, roaming just got better with 'ROAM' bikes. It promotes fitness, reduces stress, connects you with nature. plus, it's eco-friendly—good for you and the planet!
